CAREER GUIDANCE AND PLACEMENT CELL

COMPOSITION

The Career Guidance and Placement Cell of D.J. College of Pharmacy has been reconstituted which works on the well-being and fruitful career aspects of the placement interested students. The cell organizes numerous programs at fixed intervals such as group discussions, personality development and invited lectures of reputed professional from industries and corporate houses. The objective of our career guidance and Placement Cell is to train the students on industry needs and provide the best opportunities available. The Cell also offers guidance to students regarding different paths to higher education and other career opportunities apart from placement support.

Following are the members of Career Guidance and Placement Cell.
